Subject: HDSB invites parents and guardians to complete the *Have Your Say* survey.

Dear **Nelson High School** Families,

In our effort to increase school effectiveness, the Halton District School Board is inviting you to participate in our online *Have Your Say* parent/guardian survey. As our partner in education, your input is valued and appreciated. We recognize your involvement is critical to student success which is why we're inviting you to complete this online survey to tell us what you think about Nelson High School.

We are inviting parents to respond to questions related to their child's school, such as: learning opportunities, communication, involvement in the school, technology use, equitable and inclusive learning environments, and transportation. Grade 4 - 12 students in the Halton District School Board will also have an opportunity to complete the survey at school.

The survey will be open to all parents/guardians of children in the Halton District School Board from **February 1, to March 29, 2019.**

The information gathered from the survey will help our school continue to create a positive environment, inform our School Improvement and Well-Being Plans, and allow parents/guardians and students to have a voice in creating a supportive community at **Nelson High School.**

The responses are anonymous and the questionnaire will take approximately 10 minutes to complete. To complete the survey, click on or copy this link: www.haveyoursayhdsb.ca. The survey is accessible using a mobile device. Surveys are available in the following languages: Arabic, French, Hindi, Mandarin, Punjabi and Urdu.

Sincerely,

Paul Daignault
Principal
