Re: OSSLT Preparation Sessions

Dear Parent/Guardian

To help students be successful on the test, we are offering after school OSSLT Preparation sessions. These sessions will run for an hour twice a week (Tues/Thurs), starting on Feb 14th.

Each session will focus on a different skill necessary to prepare for the literacy test. Students will have opportunities to practice and gain confidence through this opportunity.

If your child is going to participate, please sign and return this letter to the Main Office by **Monday Feb 4** to indicate that you would like them enrolled in the literacy preparation sessions. Attendance will be taken at these sessions.

For further information, please contact Mr. Yhard, Vice Principal, at yhardg@hdsb.ca.
